

UNI-PMA1

Pole mount adaptor

Overview

Aluminium mount adaptor for mounting camera housings to poles

Sony's UNIPMA1 Pole Mount Adapter (White) can extend the capabilities of your Sony UNIWMB1 wall mount by allowing you to attach it to a pole. You can affix your surveillance equipment to an indoor or outdoor pole, because this pole mount adapter is made of aluminium and is weather resistant. This adapter comes with a one-year warranty.

Sturdy

This pole mount adapter is made of aluminium so it can withstand the elements. If you are looking to adapt your Sony wall mount, this adapter will provide strong and secure support for your pole-mounted surveillance equipment.
