

UNI-IFF7T3

Tinted glass Recessed security camera housing

Overview

Recessed housing For SNC fixed camera series

The UNI-IFF7T3 is a recessed ceiling mount type housing from Sony which has been specially designed to be used for fixed cameras. The UNI-IFF7T3 recessed housing comes with a tinted lower dome, a white trim ring, a 7" diameter dome, as well as a plenum rated metal top, and a 1.2F stop light loss. The UNI-IFF7T3 recessed housing supports the SNC-CS11, SNC-CS10, SNC-Z20N, and the SNC-CS50N; it also comes user friendly and is easy to setup and install to help save money.
