Pendant mount minidome
bracket

Overview

Indoor or outdoor pendant camera bracket

The Sony UNI-MDB2 Pendant Mount Minidome Bracket is an excellent mounting solution for the SNC-DF80N, SSC-CD75, and SSC-CD77 Outdoor Dome Cameras. You can also mount it on a wall with the help of an included gooseneck wall mount bracket. A 1" (25.4 mm) pipe thread is provided on one end for easy dome mounting. Furthermore, its aluminium construction ensures durability when installed indoors or outdoors, while its white finish gives it an appealing look.
