

AC-81MD

AC Adaptor for Medical Devices

Overview

Provides DC power for compatible Sony medical equipment

The AC-81MD is an AC adaptor that is intended for use with these compatible Sony medical products* only:

MCC-3000MT, NU-IP40S, NU-IP40D, UP-D711MD (AC-81MD available as optional accessory)

HVO-500MD/500MD(Surgical Version), HVO-550MD/550MD(Surgical Version), HMS-3000MT (AC-81MD included as standard)

The adaptor can operate wherever an AC mains outlet (100-240V, 50/60Hz) is available. It provides a regulated 24V DC output (3.3A max.) suitable for powering the products as detailed above.

Includes AC power cable and DC cable (1.8m) for connection to device.

*Product availability may vary according to the sales area. For more information, please contact your nearest Sony sales office or an authorised dealer.

Specifications

Specifications
