

DWA-SLAU1

Interface adaptor for camcorders
with UniSlot

Overview

The DWA-SLAU1 adapts the DWR-S03D two-channel portable slot-in wireless receiver for use with professional shoulder-mounted camcorders equipped with a UniSlot®* interface. The adaptor features a collar and an interface with D-sub 25 pin connector.

*UniSlot® is a registered trademark of Ikegami Tsushinki Co., Ltd.
