

CBK-Z450UK

4K upgrade kit for PXW-X400 camcorder

Overview

4K upgrade kit gives PXW-X400 4K QFHD recording options

The CBK-Z450UK is an optional 4K upgrade kit for the PXW-X400 advanced shoulder camcorder that allows you to record 4K QFHD (3840x2160) as XAVC Intra and XAVC Long GOP at 50p/59.94p.

High quality recordings in 4K QFHD and HD

The CBK-Z450UK 4K upgrade kit for the PXW-X400 supports a variety of 4K and HD formats, including 4K QFHD (3840x2160) at 50p/59.94p, using the XAVC Intra and XAVC Long GOP workflow standards.

NOTE: CBK-Z450UK is scheduled for release in May 2017.
