

PK-F500LA2

Lens adaptor for VPL-F Series projectors

Overview

Converts optional Sony lenses for use

The PK-F500LA2 is a projection lens adaptor for the VPL-F500L Series. It converts VPLL-FM22, VPLL-ZM32, VPLL-ZM42 and VPLL-ZM102 optional lenses to fit with the projector. You cannot use the optional lenses without this adapter.
