

HDLA1507

Large viewfinder adaptor

Overview

Enables a large viewfinder to be used with select portable cameras

A convenient peripheral for portable cameras HDC-1400R, 1450R, 1500R, 1550R.

Allows select cameras to be used with a portable lens and a large CRT viewfinder

Using a newly developed interlocking mechanism, the power, video, and control signals are passed on directly from the portable cameras to the HDLA Series adaptor. This unique mechanism also allows the portable cameras to be attached and detached without removing the large lens. The interlocking mechanism allows for an astonishingly quick and smooth setup.
