

PWSL-DH45

Avid DNxHD ® Option Codec

Overview

Software License for the PWS-4500 live server

The PWSL-DH45 is the software license of Avid DNxHD ® codec with the PWS-4500 live server. Installing PWSL-DH45 on the PWS-4500 allows you to record the files as Avid DNxHD® 220x/145/45, which is an ideal fit for the Avid DNxHD® postproduction environment.

Adding Avid DNxHD® Recording Capability to the PWS-4500 server
