

HZC-PSF20W

7-day software license for shooting 24-25PsF with HDC system cameras

Overview

Pay Per Use software licensing agreements for HDC Series system cameras offer users greater flexibility and significant cost savings

The HZC-PSF20W is a 7-day software license for shooting at 24-25Psf with HDC-1700, HDC-2400 and HDC-2570F system cameras. The HZC-PSF20W is one of a series of software licenses available for the cameras. Alternative licenses for the same functions are the HZC-PSF20M 30-day license and the HZC-PSF20 permanent license. The licenses give you a high level of flexibility to purchase the equipment you want, when you want it, with the confidence your camera is future-proofed for changing demands.

Greater flexibility and cost savings to manage your equipment needs

7-day software license for shooting at 24-25Psf with HDC-1700, HDC-2400 and HDC-2570F system cameras.

One of several software licenses available

The HZC-PSF20M 30-day license and the HZC-PSF20 permanent license are also available, offering the same functionality.

Activation key for pre-installed software.

Features
