

SU-32FW

Monitor Stand

Overview

Secure tabletop mounting for the LMD-3251MT 3D medical monitor

The SU-32FW provides stable mounting for the LMD-3251MT 32-inch Full HD 3D monitor on a tabletop, equipment cabinet or medical cart.

Connecting cables are neatly protected by a snap-off cover on the back of the monitor stand.

Security attachments provide extra stability when the monitor is positioned close to a wall.
