7-inch outdoor vandal-resistant clear surface-mount housing with heater/blower for SNC-RZ-50N and SNC-RZ30N cameras, DC 12V power

#### Overview

# Outdoor vandal resistant surface-mount enclosure with thermostatically controlled heater/ blower

The surface-mount 7-inch vandal resistant rugged housing offers versatility and camera protection in a compact size. Unique in that these outdoor surface mount enclosures can be mounted facing down or facing up toward the sky. The housing is available with a clear dome. DC 12V input is required for the heater.

#### Clear dome

7-inch polycarbonate.
