

HDVF-550

5-inch black and white HD electronic viewfinder

Overview

5-inch Black and White HD electronic viewfinder

Displays 650 lines of high resolution monochrome video when attached to a compatible Sony camcorder.

Ease of manual focusing

For many camera operators, monochrome viewfinders make manual focusing and exposure adjustments easier, especially in low light.

Features

Designed for select Sony cameras

Optimised for attachment to the new HSC300/HXC100 Multi Format Camera and the HS Studio -inchR-inch series Cameras.
