

BP-U60

Lithium-ion Battery

Overview

The BP-U60 (56 Wh) Lithium-ion Battery effectively supports professional video shooting in both the field and the studio. The battery is equipped with the professional INFO function that intelligently communicates battery status data to the PMW-EX1 camcorder.

The remaining capacity of the battery is displayed on the LCD monitor and viewfinder when the camcorder is powered on. This intelligent battery-management function allows operators to monitor the battery status easily and accurately.

Specifications
