SONY

PEQA-C10

Active Learning License

Overview

This PEQA-C10 Active Learning license for PEQ-C100 and PEQ-C130 Vision Exchange main units brings together students, lecturers and presenters in a workgroup-based collaborative environment.

Students can ‘mirror’ their own devices, sharing content with other groups in the room or on the main presentation screen via simple drag-and-drop gestures under the lecturer’s control.

Each workgroup table can be viewed on the main Vision Exchange unit, while the main view can be shared with all group tables. An annotation function allows lecturers to give extra support to students.
