

HZCU-UHD35

4K HDR software license for
HDCU-3500

Overview

With the HZCU-UHD35 4K HDR software license, the HDCU-3500 Camera Control Unit can be upgraded to output 4K and 4K Live HDR for HDC-3500 and HDC-3100.

Also requires HZC-PRV50 progressive signal format software license into the HDC-3500 and HDC-3100.

Note: This product is an activation key for preinstalled software
