

UNI-ORL7T2

Vandal resistant dome housing

Overview

Tinted bubble vandal resistant housing

The Sony UNI-ORL7T2 outdoor housing effectively protects an SNC-RX550N or SNC-RZ25N network PTZ camera from both weather conditions and vandalism. It does this using a rugged construction in combination with a built-in heater and blower.

Construction

Cast aluminium chassis with rugged polycarbonate lower dome. Pendant mount (1.5-inch NPT quick connect coupling).

Features

Weather protection

Built-in heater and blower for increased weather protection.

Anti glare

Tinted lower dome for discreet operation .

Power

24 VAC input.

Compatibility

SNC-RX550N and SNC-RZ25N.
