

YT-LDR632S

Smoked dome cover for network cameras

Overview

The YT-LDR632S Dome Cover Smoked is a tinted dome cover for use with the following rapid dome cameras: SNC-WR602, SNC-WR602C, SNC-WR632, SNC-WR632C, SNC-ER585, and SNC-ER585H.

Attaching the YT-DR632S in exchange for the original dome cover of the camera makes the lens unit inside the dome cover invisible and the camera more obscure.

Specifications

Specifications
