## CCFC-S200

200m Single Mode Optical-fiber Cable to connect BRC-H900 and BRC-Z330 cameras (fitted with the optional BRBK-SF1 card) to BRU-SF10

Overview

2-core Single-mode Optical Fiber Cable (200 m long) for BRC-H900 and BRC-Z330 cameras.

Extension Plug Included

**Features** 

A single-mode fiber-optic cable enables an HD signal to extend to 656 feet (200m).

Up to 10 cables can be connected to enable HD signal transmission of up to 6,560 feet (2km).

BRC-H900 and BRC-Z330 must have installed the optional BRBK-SF1 card.
