

BVMK-M1710

Mounting Bracket for BVM-HX1710/BVM-HX1710N

Overview

Mounting bracket for BVM-HX1710/BVM-HX1710N 4K HDR TRIMASTER HX master monitor

The BVMK-M1710 is a mounting bracket specifically designed for mounting the BVM-HX1710/BVM-HX1710N master monitor directly on a 19-inch EIA standard rack. This mounting bracket is used with the protection panel BVMK-P1710*.

*A front bezel of the BVM-HX1710 or BVM-HX1710N is projected from a front surface of a 19-inch EIA standard rack for attaching and detaching the protection panel BVMK-P1710. Clearance space at the top and/or bottom of the monitor may be required to enable attachment and detachment.

Secure mounting in 19-inch EIA standard rack

6U-height design for easy monitoring in OB trucks, operations rooms, and mobile carts
