

HZCE-JX50H / HZCE-JX50HM / HZCE-JX50HW

HD JPEG XS SOFTWARE

Overview

The HZCE-JX50H, HZCE-JX50HM and HZCE-JX50HW support only HD production.

This license enables HDCE-TX50 and HDCE-TX30 to encoding and decoding that save bandwidth without compromising quality. It results in cost saving and workflow efficiency as more signals from different camera positions can be transmitted at one time.

Pay Per Use software licensing offers users greater flexibility and significant cost savings.

The HZCE-JX50H can be permanently used.
The HZCE-JX50HM can be used for 30 days.
The HZCE-JX50HW can be used for 7 days.

* This software license is activated by license key.

* Installing license key may require firmware update.
