

# CBK-VF01

Colour LCD Modular Viewfinder

## Overview

### **Digital HD viewfinder for HXC-D70 and XDCAM solid state camcorders**

The CBK-VF01 3.5-inch colour LCD monocular viewfinder provides a digital HD interface to the HXC-D70 SD / HD system camera for a better and easier focusing. The unit is supplied as standard with the HXC-D70K & L packages, and PMW-350 or PMW-320 XDCAM camcorders.

The CBK-VF01 is also available as an option for the PMW-500, XDCAM HD422 solid state memory camcorder.
