

ACC-V1BPA

AC adaptor/charger and battery kit

Overview

Make sure your camcorder is always ready to shoot with the ACC-V1BPA dual charger/AC adaptor and InfoLITHIUM® rechargeable battery kit.

Sony's ACC-V1BP accessory kit includes the AC-VQV10 dual charger / AC adaptor and an NP-FV100A high capacity InfoLITHIUM® battery.

This accessory kit offers real flexibility for professionals, giving longer battery life and faster re-charging. The AC-VQV10 can provide AC power to your camcorder or quickly charge two InfoLITHIUM batteries in sequence. It is fully compatible with InfoLITHIUM V, H & P series batteries. And because it's InfoLITHIUM you'll be able to see the remaining battery life displayed on your camcorder's screen.
