Shotgun Mic Cable (3-Pin XLR to 5-Pin XLR). Formally known as K-1502

### Overview

#### **Shotgun Mic Cable (3-Pin XLR to 5-Pin XLR). Formally known as K-1502**

Formally known as K-1502. 3-Pin XLR (Female) to 5-pin XLR (Male) Mic Cable, 19.7 inch length. Used for mounting a Sony ECM Series mono shotgun mic onto a camcorder that supports front of camera 5-pin XLR mic input. This cable connects a mono shotgun mic to both channels of the stereo mic input located on the front of these camcorders.

#### **Highlights**
